RESPONSE

Commissioner For Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In response to the Notification of Defective Response dated February 14, 2006, we respectfully request to correct the inventorship.

The international application was filed without the proper inventive entity, and was discovered by the undersigned at a date too late to correct the inventorship during international processing. Accordingly, we wish to correct the inventive entity at the national stage.

03/23/2006 LLANDGRA 00000047 10519231

01 FC:1464 130.00 OP

Pursuant to 37 C.F.R. § 1.497(d), attached please find a statement indicating that the error of inventorship occurred without deceptive intention on his part. Also please find enclosed a copy of the oath/declaration by the actual inventors as required by 37 C.F.R. § 1.68. The original oath/declaration was filed on December 19, 2005 and includes the proper inventive entity.

Please amend the above-identified application to include the inventor, David C. Smith.

In accordance with 37 CFR 1.497(d), we have attached a statement from the person being added as an inventor that any error in inventorship in the international application occurred without deceptive intention on his part. Also please find attached the processing fee set forth in § 1.17(i) in the amount of \$130.00.

We believe the following will complete the requirement for acceptance under 35 U.S.C. 371 and respectfully request and confirmation Official Filing Receipt.

DECLARATION

I, David C. Smith, hereby declare that my residence/post office address and citizenship are 51 Winners Circle, Toronto, Ontario M4L 3Y7 CANADA.

I believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:

CONTROLLED SPOILAGE FOOD COMPOSITIONS, the specification of which was filed on 27 December 2004 as US Application Serial No. 10/519,231.

I hereby state that the inventive entity in the above-noted U.S. application is different than the inventive entity set forth in the international application. The correct inventive entity includes David C. Smith as an additional inventor. The executed § 1.63 declaration filed in the above-identified application is correct, and the error in inventorship in the international application occurred without any deceptive intention on my part.

I hereby state that I have reviewed and understood the contents of the above-identified specification, including the claims, as amended by any amendment(s) referred to above. I acknowledge the duty to disclose all information which is material to patentability as defined in 37 CFR 1.56.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
